Fold n 'GO

Fold n 'GO

The ultimate foldable rotisserie grill.

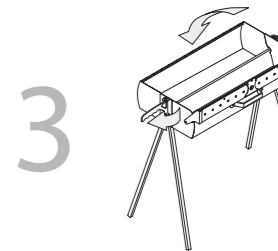

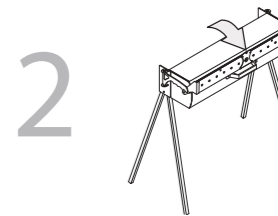

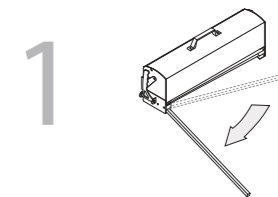

A practical solution for individual and family outings.

The myGRILL fold n 'GO™ is easy to use and clean. It's stainless steel design makes it a durable solution. The extremely meticulous design will convince even the most demanding.

Foldable. Portable.

It has the ability to fold taking the compact shape of a hand luggage which makes it easier to carry and store.

The perfect solution for individual and family outings. When folded it's size is only 27x7x9cm and weighs 22 lb.

Three simple steps.

Unfold all four legs, then the skewers' rotating mechanism and then the basin and handles.

The grill is now ready to place the coals in the basin.
